Dear Parents/Carers

*We all know that reading opens the door to all learning.  
A child who reads a lot will become a good reader.  
A good reader will be able to read challenging material.  
A child who reads challenging material is a child who will learn.  
The more a child learns the more a child wants to find out.*

It is, therefore, vital that your child finds learning to read and write a rewarding and successful experience. Read Write Inc., developed by Ruth Miskin, provides a structured and systematic approach to teaching literacy. It is used by more than a quarter of the UK's primary schools and is designed to create fluent readers, confident speakers and willing writers. Each Read Write Inc. programme meets the higher expectations of the curriculum and uses effective assessment to accelerate every child's progress.

At Benwick, we have just invested in 'Read, Write, Inc' and would love to share it with you so you can support your children at home with learning to read and write. It is a fully inclusive programme which will be with your child throughout their time at school.

**We will be holding a morning information session on Wednesday 19 September, from 9.10am in the Village Hall. Refreshments will be provided. We will then take a walk through school to see it in action with some of the groups of children.**

I look forward to seeing you there.

Kind regards.

Yours sincerely

**Miss Farquhar
