

Daily maths calculations Week 3

EYFS	Year 1
<p>Day 1</p> <p>With our EYFS children we would do these calculations practically. Remember to get them to count items and either add or take away amounts.</p> <p>5+2= 8-6= 2+1+2= Share 8 between two people 4 Lots of 2</p>	<p>Day 1</p> <p>With our Year 1 children some of these calculations can be done in their head. They might need practical amounts to help them or a number square or number line. They can use paper to work out their answer.</p> <p>20 divided by 10 11+4+9= 4x10= 32-6= ½ of 20</p>
<p>Day 2</p> <p>6+4= 4+5= 10-7= Share 6 between two people 3 Lots of 3</p>	<p>Day 2</p> <p>6x10= 20 divided by 5 2x5= Half of 16 1+ _ +5=12</p>
<p>Day 3</p> <p>2+8= 6+3= 8-5= Share 6 between 3 people 3 lots of 4</p>	<p>Day 3</p> <p>5+8+10= Half of 10 2x5= 12 shared between 2 5+10+10=</p>
<p>Day 4</p> <p>5+6= 2+6= 5-3= Share 6 between 2 people 10+10=</p>	<p>Day 4</p> <p>10x6= Half of 30 10 divided by 2 30-10= 12+8=</p>
<p>Day 5</p> <p>Order the numbers 0-20 and play hide a number for your child to work out. Write out numbers as you say them to 20 – have a number line in front of them.</p>	<p>Day 5</p> <p>Half of 14 3+4+9= 10x2= 50-20= 30 divided by 10</p>
