

## NRICH live problems

Each time you visit the NRICH site there will be some activities which are 'live'. That means they are inviting you to send them your solutions and they will publish a selection of them, along with your name and school.

Have a go and see if you can get your solution and our school on the NRICH website for everyone to see!

You can upload your solution here:

<https://nrich.maths.org/10594/submitsolution>

<https://nrich.maths.org/10332> (Matching Time- Age 5-7)

<https://nrich.maths.org/2729> (Fraction Card Game- Age 5-7)

<https://nrich.maths.org/8282> (Matching Numbers- Age 5-7)

<https://nrich.maths.org/1252> (Multiplication Tables - Matching Cards- Age 5-11)

<https://nrich.maths.org/1257> (Flip Flop - Matching Cards- Age 5-11)

<https://nrich.maths.org/10343> (How Long Does It Take? Age 7-11)

<https://nrich.maths.org/8283> (Matching Fractions- Age 7-11)

<https://nrich.maths.org/1249> (Matching Fractions, Decimals and Percentages- Age 7-14)

I look forward to seeing some of your solutions!

Miss Angell ☺
