PROBLEM SOLVING

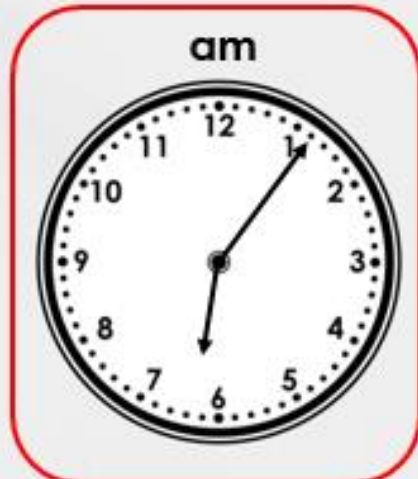

Which is the earliest and latest time?

The image displays four analog clocks arranged in a 2x2 grid, each showing a different time. The top-left clock is labeled 'am' and shows 06:22. The top-right clock is labeled 'pm' and shows 10:24. The bottom-left clock is labeled 'pm' and shows 09:59. The bottom-right clock is labeled 'am' and shows 06:18. In the center of the grid, the times are written in digital format: 06:22am, 06:18am, 10:24pm, and 09:59pm.
