

Don't forget you can share your learning with us through Classroom Dojo! We would love to see what you are all up to!

**History**

Research famous pirates from the past. Can you make a fact file about what you have found out about a pirate from the past? EYFS can you draw and label a pirate? Year 1 can add illustrations to their fact file.

<https://www.exploration-and-piracy.org/pirates/>

**Maths**

Continue some of the maths games we have sent as links online for maths week. Also look at our Purple Mash maths section for some fun activities.

**Year 1**

TT Rock Stars Use Times Tables Rock Stars to practice your times tables ready to start our timed challenges and earn points!

**EYFS**

<https://www.topmarks.co.uk/maths-games/3-5-years/counting> Continue to spend time with your child counting. This is an important early skill! Also give them an amount to count accurately eg if they are playing with lego ask them to make a certain height tower up to 20.

**English/PSHE**

This half term we are learning about healthy lifestyles. To begin with what we know please write a list of food your child thinks is healthy and a list of food you think is unhealthy. Your child can draw each item on their list.

**Science**

**Properties of materials**

See if you can collect a variety of pieces of different items. Which ones do you think are waterproof and which ones are not? Make a prediction chart before you explore the items and see which ones are waterproof and which are not. Then talk about what you have found out. Year 1 children can write down what they have found out as a conclusion.

Waterproof or Not Waterproof?		Waterproof or Not Waterproof?	
Waterproof		Waterproof	Not Waterproof
Not Waterproof			

**ICT**

Log into purple mash with your child and continue to explore the range of programmes and activities there. Using different programmes for different purposes is an important skill for you child to learn. This week use the computing section and the 2go programme. This is a coding activity. If you click on the challenge section your child can work through different coding activities.

**Art**

Look at images and painting of pirates from the past. What features do pirates have? Draw a design of your own pirate character. Think about their clothing, features and weapons. Once you have your design see if you can either paint, draw, collage your pirate. We look forward to seeing your finished pirates. Please let us see them on class Dojo.

### Year 1

Write a book review of another book you have read recently. Would you recommend it? Why/ Why not?  
EYFS

Ask your child to pick their favourite book and talk to you about what they like about the story, what they dislike, what is happening and what could happen at the end. Your child can draw their favourite part of the story and write a simple sentence about it.

Look at the instruments you might find in an orchestra online. Listen to some orchestra music. How does it make you feel? What does it make you think of? Choose an instrument to draw and write about.

Healthy eating. Research a balanced meal with your child. Make a paper plate collage model of a balanced meal and label your food items. Year 1 write about their meal and what makes it balanced.
