

Daily maths calculations Week 3

EYFS	Year 1
<p>Day 1</p> <p>With our EYFS children we would do these calculations practically. Remember to get them to count items and either add or take away amounts.</p> <p>5+5= 8-4= 2+2+2= Share 6 between two people 3 Lots of 2</p>	<p>Day 1</p> <p>With our Year 1 children some of these calculations can be done in their head. They might need practical amounts to help them or a number square or number line. They can use paper to work out their answer.</p> <p>12 shared between 2 11+1+9= 2x10- 30-5= ½ of 18</p>
<p>Day 2</p> <p>4+4= 3+5= 10-8= Share 10 between two people 4 Lots of 2</p>	<p>Day 2</p> <p>4x10= 20 divided by 10 2x11= Half of 12 10+ _ +5=16</p>
<p>Day 3</p> <p>2+4= 6+2= 8-3= Share 6 between 3 people 3 lots or 3</p>	<p>Day 3</p> <p>5+3+10= Half of 6 5x5= 8 shared between 2 5+6+10=</p>
<p>Day 4</p> <p>5+1= 2+6= 5-5= Share 6 between 3 people 10+10=</p>	<p>Day 4</p> <p>10x3= Half of 40 10 divided by 5 40-10= 12+6=</p>
<p>Day 5</p> <p>Order the numbers 0-20 Write out numbers as you say them to 20 – have a number line in front of them.</p>	<p>Day 5</p> <p>Half of 12 2+4+7= 10x2= 50-10= 20 divided by 10</p>
