Swans Autumn Term letter 2022

Dear Parents/Carers,

Welcome to the Autumn Term in Swans Class. We hope that you had a really good summer break. We are all really looking forward to the term starting and welcoming the children back into school for a new school year.

This term we hope to be off to a flying start with learning, however we will settle all the children back in, establishing and re-establishing relationships, routines, rules and behaviour expectations. We will revisit our school values of respect, responsibility, honesty, resilience and community.

Ensuring the children feel happy and confident is really important to us all at Benwick and PSHE is high on our list of priorities.

Please help your child make the best start to the new school year by ensuring they have all the things they need each day, including correct uniform and a water bottle, all of which should be clearly named. Children should not bring in toys or balls etc from home.

Snacks:

Breaktime snacks are encouraged, these should be healthy e.g. fruit or plain cereal bars. Chocolate bars, biscuits, cakes, crisps, peppermints etc are not allowed. Please remember we are a nut free school due to children with serious allergies.

Reading book arrangements: Your child will have the opportunity to change their reading book daily as and when they complete their book. In Year 5 and Year 6 reading books take longer to complete due to their length. The children will also “quiz” on each book in school to check their understanding. The children still benefit from reading out loud regularly and discussing their book with an adult. This happens regularly in school and we encourage you to do the same at home. Your child should bring their reading book and reading record to school daily.

They will also have access to the library from where their choices will be scanned out so that they can borrow beautiful books to share with you at home. It is important that

Benwick Primary School

these books are returned and scanned back into the library. Any outstanding books will be followed up by letter.

PE arrangements:

Our class PE/Games session is on Wednesday. Our first unit is Football.

Please make sure children have their named PE kit in school all week – this should be a white t-shirt and black shorts/leggings, with tracksuit bottoms in cooler weather and trainers. Football strips and multi-coloured t-shirts and shorts are not allowed, thank you. Please bring the PE Kit to school on a Monday.

This term our second PE session will be our swimming session on a Thursday, you have received a separate letter with details about this.

Homework expectations:

Our basic homework expectations for children are:

Daily reading - minimum of 20 minutes – please record when you have heard them read in their reading record.

Spelling – spellings are given out on Monday and are tested on the following Monday please help your child to learn these at home, little and often is best.

Times tables- All children will be given login in details to access Times Table Rock Stars, we will have a focused times table each week, which we practise and then test on a Friday. Using a computer to practise is great, but oral counting, chanting and testing of number facts works best, so the children have rapid recall of these facts which greatly improves their ability to access mathematics across the curriculum.

Contacting us:

We value a close relationship with Parents and Carers, so if you have anything to share with us, including worries or concerns, please do get in touch. We are available in the mornings on the playground before the whistle, on the playground at home time, via dojo messaging or email.

(Please email the school officeadmin@benwick.cambs.sch.uk).

During the school day telephoning school will ensure that your message gets picked up straight away.

Best wishes for a wonderful term,

Miss Norris and Team
