

L.O. Continue to develop a chronologically secure knowledge and understanding of British history

I would like you to discuss and record what you already know about Crime and Punishment and some things that you would like to find out.

Circle in the middle write crime and punishment in one colour note all the things you already know and in another all the things you'd like to find out.

Write these headings in your books in the correct chronological order and then put the word/pictures of crimes/punishments under the time period you think they go with. You may discuss. You should set this out over a double page. (Think about what you have previously learnt about the different periods in history).
