Can you cancan on a can?  
Can you cartwheel on a cart?  
Will you whistle in the wind?  
Have you heard it in your heart?

I can cancan on a can.  
I can cartwheel on a cart.  
I'll whistle in the wind.  
I've heard it in my heart.

Could you keep what you could?  
Would you wish that you would?  
Did you do what you did?  
Should you show what you should?
