

Benwick Primary School Robins Topic Week 8

Don't forget you can share your learning with us through Classroom Dojo! We would love to see what you are all up to!

History	Maths	English	
Research pirate ships from the past. Can you make a fact file about what you have found out about a boat from the past? EYFS can you make a model of a pirate ship? Can you label your model and write about it? Year 1 children can make a boat if they would like as well and add this to their fact file.	Explore some of the maths games we have sent as links online for maths week. Also look at our Purple Mash maths section for some fun activities. Year 1 TT Rock Stars Use Times Tables Rock Stars to practice your times tables ready to start our timed challenges and earn points! EYFS https://www.topmarks.co.uk/maths-games/3-5- years/counting Continue to spend time with your child counting. This is an important early skill! Also give them an amount to count accurately eg if they are playing with lego ask them to make a certain height tower up to 20.	Write a diary entry about what you have been doing in lock down. You could make a comic strip of what you have been doing at home. EYFS Draw a comic strip picture for each part of what you have been doing in lock down. Write a simple sentence under each image.	
Science Properties of materials See if you can collect a variety of pieces of different items. Which ones do you think will sink and whick ones will float? Make a prediction chart before you explore the items and see which ones sink and whick float. Then talk about what you have found out. Year 1 children can write down what they have found out as a conclusion.	ICT Log into purple mash with your child and continue to explore the range of programmes and activities there. Using different programmes for different purposes is an important skill for you child to learn.	Art Look at the puppet plan you made for your puppet last week. See if you can find some material to cut out as the outline of your puppet, make two pieces the same. See if you can stick or sew or draw details onto your puppet. Then try to sew or glue the two sides together and put some cotton wool or other item inside to make your puppets stomach. We look forward to seeing your finished puppets. Please let us see them on class Dojo.

Year 1

Write a book review of another book you have read recently. Would you recommend it? Why/ Why not? **EYFS**

Ask your child to pick their favourite book and talk to you about what they like about the story, what they dislike, what is happening and what could happen at the end. Your child can draw their favourite part of the story and write a simple sentence about it.

Listen to a song your child likes. Talk to them about how the music makes them feel, what they like about the music and what instruments they can hear. Take a look online at some intruments and what they look like. You might even be able to look at some musicians playing instruments online.

Safety online - visit the linked page below - Here you will find some stories and links to exploring esafety with EYFS and KS1 children. During lock down many of us are spending more time online and it is an important that our children and we as parents and carers know how to ensure our children are safe online.
