L.O. Write an introduction for a biography

Your introduction is very important if you want to catch the reader's attention. I want you to think of rhetorical question to hook your reader. You must introduce your famous person using the 5 W's.

Who is the person? - their name (real name also if their birth name is different)

What are they famous for?

When did it happen?

Where did it happen?

Why are they famous today?
